FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration - Division of Budget and Planning** and the **Department of Natural Resources** assume the proposed legislation would have no fiscal impact on their agencies.

In response to a similar proposal (HB 621), officials from the **Department of Corrections**, **Office of Jefferson City Administrator**, and the **Office of Cole County Commission** assume the proposed legislation would have no fiscal impact on their agencies.

Officials from the **Office of Administration - Division of Design and Construction (COA)** assume COA would be responsible for the reimbursement of expenses. Based on recent experience with a Building Codes Advisory Committee, annual expenses are estimated to be \$10,000.

In response to a similar proposal, officials from the **State Treasurer's Office (STO)** assume incremental staff duties could be absorbed without budget increases. Additional responsibilities for STO would coincide with current responsibilities for investing funds.

In response to a similar proposal (HB 621), officials from the **Office of the Attorney General (AGO)** assume the proposal would have a minimal impact on their agency, which can be absorbed with existing resources.

Officials from the **Department of Revenue - Division of Taxation (DOR)** assume the Missouri State Penitentiary Redevelopment Commission would be a quasi-governmental entity and would be exempt from federal taxation. Therefore, there is no administrative impact to the Department of Revenue. DOR assumes the Office of Administration will estimate the general revenue impact.

DESCRIPTION

This proposed legislation establishes the Missouri State Penitentiary Redevelopment Commission. The duties of this commission will be to acquire title to and redevelop the Missouri State Penitentiary property. The proposal also creates the Missouri State Penitentiary Redevelopment Commission Fund, which is to be administered by the commission. Money in the fund is to be used solely for the purposes of the commission. Any funds remaining in the Missouri State Penitentiary Redevelopment Commission Fund shall be transferred to the general revenue fund upon dissolving of the commission.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
